

DELAWARE TECHNICAL & COMMUNITY COLLEGE LIBRARIES Your Delaware Tech Library Barcode and PIN

You must have a valid DTCC photo ID with library barcode to check out library items including reserves. You need the PIN as well as the barcode to login to the Delaware Library Catalog in order to:

- Place a request to hold an item.
- Access your account to check due dates, renew books, change your PIN, etc.

Your library barcode is placed on the back of your valid DTCC photo ID card by your campus library. You also obtain your PIN from your campus library. Your library barcode and PIN are separate from your college MyDTCC username and password.

Your current library PIN number is: _____

To Change your PIN number:

Go to the Delaware Library Catalog by clicking the link on the DTCC Library Services page at <http://library.dtcc.edu/>

The next time you wish to login use your library barcode number and new PIN.
